GRADUATING CHILDREN

It is with great joy we let our prayer partners know that 12 children will be graduating from High school this year in March 2024. 2 Children are to graduate from Junior College. Join us in prayers that they will be able to get admission to the right field of study they are seeking. God bless you all for making it possible to give them food, shelter and education.

Construction continues for additional rooms for Zarephath Home in order to rehabilitate poor widows and destitute women. Pray that we shall be able to complete this work.

KOLKATTA FEEDING PROJECT

Literatures ready to be
shipped out to different
states in this country

Myself and my assistant had visited Kolkatta from Jan 28 to Feb 1, 2024 in order to make an evaluation of the feeding project for street and slum children. Before Covid-19 we have been feeding 240 children but after that we were compelled to reduce the number to 100. They have been begging us to increase the number of food packets. Therefore, trusting in the Lord, now we are feeding 100 more children near the Howrah train station. Total of 200 children are being fed at time this. There is significant progress with the children as we have been able to send most of the children to schools after a good breakfast. Please join us in prayers for provisions to continue with this worthwhile project.

LITERATURE MINISTRY

We are overwhelmed with requests for gospel literatures from several different language speaking areas in this country. Right now literatures in 14 languages are being supplied. It is difficult to supply all the requirements.

We have been trusting the Lord to be able to print one million gospel tracts in 14 languages. The Lord has provided enough finances to print 250,000 copies. To Him be all the glory!

Yours sincerely in Christ,
Pappy Daniel.
