

GLOBAL WARNING

First the bad news. Events in the world are taking a dangerous turn. Many people are wondering what kind of future there is for the human race – or even if there is a future for us at all. We see a number of crises coming on the world - Cost of living crisis, debt, famine and great poverty in many parts of the world - Fears about the environment and climate, wars between nations and within them - A general state of lawlessness and social breakdown. We have made huge advances in technology, creating machines and systems that previous generations would not have thought possible, but those systems are vulnerable and so is the society that is built upon them. We can't live together in peace and justice and harmony. Many people find the stress of modern life intolerable.

Not long before His death and resurrection, Jesus was asked by His disciples, **“What will be the sign of your coming and the end of the age?”** He replied:

Jesus answered: **“Watch out that no one deceives you. For many will come in my name, claiming, ‘I am the Messiah,’ and will deceive many. You will hear of wars and rumours of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places. All these are the beginning of birth pains.”** Matthew 24.4-8.

This time of trouble will end up with a time known as the Great Tribulation, which will precede Jesus' return to the earth: **“For then there will be great distress, unequalled from the beginning of the world until now—and never to be equalled again. “If those days had not been cut short, no one would survive, but for the sake of the elect those days will be shortened.”** Matthew 24.21-22.

We have a choice to make about whether we will be amongst the survivors who have a future and a hope or those who do not survive and perish in the coming time of trouble. The trouble that is coming is because most of the human race has rejected God and His commandments and His plan of salvation. Those who continue in this way will not survive in this world or the next and will end up separated from God for eternity in hell.

Now the good news. God does not want us to suffer this fate. He wants us to be 'survivors' and have a wonderful future in His kingdom by putting our faith in Jesus Christ. Here is what we must do:

1. Understand that God loves us and wants to give us eternal life:

"For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have everlasting life." John 3.16.

2. Realise that by nature we are all sinners and separated from God because of sin: "For all have sinned and fall short of the glory of God." Romans 3.23. "For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord." Romans 6.23.

3. Accept that Jesus Christ is God's only provision for sin:

"But God demonstrates His love for us in that while we were still sinners Christ died for us." Romans 5.8. "Christ died for our sins according to the Scriptures and He was buried and rose again the third day according to the Scriptures." 1 Corinthians 15.3-4.

4. Receive Jesus personally as Saviour and Lord:

"As many as received Him to them He gave the right to become children of God to those who believe in His name, who were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God." John 1.12.

If you have not yet done this, and would like to, here is a prayer you can pray to accept Jesus as your Saviour:

'Dear Heavenly Father, I admit that I am a sinner and need your forgiveness. I believe that Jesus Christ died in my place, shedding His blood to pay for my sins, and that He rose again from the dead to give me eternal life. I am willing right now to turn from my sin and accept Jesus Christ as my personal Saviour and Lord. I commit my life to you and ask you to help me become the kind of person you want me to be. Thank you Father for loving me. In Jesus' name, Amen.'
