

North London Friends of Israel in conjunction with The Bridge Christian Fellowship
are proud to present

Lyn Julius

author of *Uprooted: How 3,000 years of Jewish civilisation in the Arab world vanished overnight*

In the years after 1948, more than 850,000 Jewish refugees were displaced from the Arab Middle East and North Africa. What can we learn from this and what does it tell us about the current conflict and prospects for the future?

Lyn Julius is the British-born daughter of Iraqi-Jewish refugees. She is a journalist, speaker and blogger and the founder of Harif, the UK Association of Jews from the Middle East and North Africa.

Thursday 29th May, 7:30 pm
