

North London Friends of Israel with The Bridge Christian Fellowship are delighted to invite you to an information evening about Magen David Adom (Red Star of David - Israel's medical emergency service)

Barbara Dingle of Christian Friends of Magen David Adom UK

Barbara is Vice President of Christian Friends of MDA UK. She will describe the considerable Christian contribution to the work of MDA. We will also be having a live link up with an MDA First Responder in Israel

On 7th October 2023, Magen David Adom was almost brought to its knees. Members of all of Israel's diverse communities worked and suffered together on that dreadful day and its aftermath. MDA has emerged stronger from this ordeal and ready to cope with every challenge.

Wednesday 15th April, 7:30 pm

The Bridge Christian Fellowship, 54 Bridge Lane NW11 0EH
